To Whom it may concern,
I recently contracted David Wilson and his team from **2-Gus-A-Muddin** to mud and tape my basement; a job that in total was somewhere in excess of 3'000 sq ft. I was extremely impressed by David's professionalism and delighted with the high quality of his work for what I viewed as to be very reasonable price. I have no hesitation in recommending David and certainly be using him again for any future drywalling projects.

Yours faithfully,

Hi **David**, I just wanted to let you know that I would recommend you anytime, anywhere. As a Realtor I have the opportunity to see a lot of drywall work, some good- some bad. You deliver excellent, quality work; you were speedy and made minimal mess. You are a true craftsman. Moreover, you accommodated me on short notice which allowed me to meet my project deadline. I plan on recommending you to anyone I know in need of a drywall finisher. Many thanks, keep up the great work. Two thumbs up!
